Re: Athletic and Activities Director Announcement

A handwritten signature in black ink, appearing to be "BHC", is written over the "From:" line of the memo.

I am pleased to announce that Mr. Paul Catuccio has been named the Athletic and Activities Director for the Watertown Public Schools. Mr. Catuccio served as acting Athletic Director this year, as well as a teacher at the high school. Prior to this year, Mr. Catuccio was a teacher of Social Studies at Swift Middle School, where he began 10 years ago. At Swift, he also served as middle school Athletic Director and Social Studies department chairperson, and he completed his administrative internship there as well. As a former Watertown High School athlete, and as an experienced teacher, Mr. Catuccio understands the important role of athletics and student activities within the Watertown community as well as how the athletic fields or courts serve as an extension of our work in classrooms. Mr. Catuccio will begin officially as Watertown Public Schools Athletic and Activities Director on July 1. We wish Mr. Catuccio the best as he transitions to this role full-time, and we look forward to his contributions to the continued success of our student-athletes, our athletic program, and our school community.
